

VIDEO WORKSHEET: “HOW DID CAPTAIN VANCOUVER NAVIGATE THE OCEANS?”

NAME: _____

1. What makes these ships move? _____
2. List two materials described in the video, and why a shipbuilder would choose them.

Material	Purpose

3. How did ship design change over time?
4. a) Name and describe both vessels on Captain Vancouver’s voyage.

b) Why do you think they sailed with two ships?
5. Why did these ships have large crews?
6. Why do you think Vancouver brought ships with large guns and crew to operate them?
7. Why are square sails uncommon today?
